

AICP – NEW ENGLAND CHAPTER ANNUAL MEETING EVENT

AGATHA'S... A Taste of Mystery!

Make your reservations now for a night of great food, fun and mystery at AGATHA'S, Atlanta's original comedy - murder mystery dinner theatre. Definitely worth dying for!

Agatha's is a cozy, 170-seat dinner theater with audience participation always encouraged, but never required -- so all you wallflowers can relax! All shows are original plays that take place in the dining room between the meal courses. There is no stage -- the action moves all around you, so you can see and hear from all seats. Two professional actors carry the show... and the rest is up to the audience!

Agatha's serves up a five-course meal (appetizers, soup, salad, choice of entrée', and dessert), with complimentary wine served with the soup course. Once we're seated, the waiters will go over the five entrée' choices (a variety of chicken, beef and fish) and you choose at that time - no need to pre-order.

The "action" that night will feature Annie Get Your Uzi, scripted by Gary Anthony Williams who was most recently seen on ABC's "Boston Legal." Annie Oakie Fanokie is the rootin'est, tootin'est, sharpest-shootin'est, swamp-stomping gal to ever twirl a pearl-handled pistol. Normally, she's sweeter than Marietta molasses... but that was before the killin' started. Now Annie's madder than a skeeter with a bent tweeter, and she's out for blood!

So come on out... belly up to the feedin' trough with the Lonesome Stranger, Mae Western, The Crisco Kid, Jesse James-Jackson, Doc Hollandaise, and assorted other Western villains...and help us find the murderer -- it might just be YOU! But you'll need to know some particulars, so keep on a-readin'...
