

Thank You Heartland Volunteers!

Today, the Heartland Chapter is recognizing and celebrating our 2011 volunteers. We also wish to thank their employers who recognize the value of the AICP organization and encourage employee involvement.

These volunteers have stepped forward to help plan Chapter events/ meetings, Education Days, welcome new members, serve as speakers, etc. Many represent Heartland at the National level, too, working on Conference, Web Site, GIR, Marketing and other committees. If something is going on, you can bet you'll find a Heartland member involved!

Heartland Chapter is honored to recognize these 2011 volunteers and their employers:
