Dr. Sascha Lafeld:

Sascha is co-founder and Managing Director at 3C Consulting GmbH and Member of the Board at 3C Holding AG. He is responsible for the development, implementation, and marketing of JI/CDM/VER projects and the development of climate neutral activities.

From 2001-2003, Sascha worked with Dresdner Bank/Allianz Group, Corporate Sustainability, Chief Risk Officer's Office in Frankfurt as Head of Dresdner's Climate Strategy. Sascha was in charge of the analysis of climate change related risks and opportunities for clients.

From 1998 to 2000, Sascha worked as a consultant for international environmental politics at the United Nations Environment Programme (UNEP) in Paris/France in the fields of climate policies and cleaner production.

Sascha studied political science, economics and sociology in Tokyo (Japan), London (UK) and Muenster (Germany). Since January 2004, Sascha holds a Phd. His thesis was on the implementation of emissions trading at the European and international level.

Sascha is currently official advisor to the United Nations Environment Programme Finance Initiative and the Allianz Insurance Climate Core Group for emissions trading and Kyoto Protocol issues.

Markus Hübener:

Markus is co-founder and Managing Director at 3C Consulting GmbH and Member of the Board at 3C Holding AG. He is responsible for advisory services on all risk management and trading matters towards corporate clients and public entities in the EU ETS.

From 1996-2003, Markus worked as Managing Director at Dresdner Kleinwort Wasserstein (DrKW), the investment bank of Allianz Group, in Frankfurt. Markus was responsible for trading interest rate products in emerging market countries and less liquid markets in Central Eastern Europe. Furthermore, he was introducing greenhouse gas emission trading at DrKW in 2003.

From 1993-1996, Markus headed the European fixed income asset management division at ADIG Investment, Frankfurt/Germany. He started his career in 1990 (-1993) as derivatives trader at BHF-Bank, Frankfurt/Germany. Markus holds a diploma in business studies.

He holds an in depth knowledge of trading in international capital markets. He is an expert in market making on various markets and in developing and implementing trading strategies and risk management tools.
