

Thank You Heartland Volunteers!

At our August 2008 Chapter meeting, the Heartland Chapter recognized and celebrated our 2008 volunteers. We also wish to thank their employers who recognize the value of the AICP organization and encourage employee involvement. Without employer support, we would not have the volunteer support. In 2008 we had a 25% increase in volunteers! Let's do it again in 2009!

These volunteers have stepped forward to help plan Chapter events/ meetings, Education Days, welcome new members, serve as speakers, etc. Many represent Heartland at the National level, too, working on Conference, Publications, and other committees. If something is going on, there is a good chance you will find a Heartland member involved!

Heartland Chapter is honored to recognize these 2008 volunteers and their employers:
