

# Thank You Heartland Volunteers!

At our August 2007 Chapter meeting, the Heartland Chapter recognized and celebrated our 2007 volunteers. We also wish to thank their employers who recognize the value of the AICP organization and encourage employee involvement. Without employer support, we would not have the volunteer support.

These volunteers have stepped forward to help plan Chapter events/ meetings, Education Days, welcome new members, serve as speakers, etc. Many represent Heartland at the National level, too, working on Conference, Publications, and other committees. If something is going on, there is a good chance you will find a Heartland member involved!

Heartland Chapter is honored to recognize these 2007 volunteers and their employers:
