

AICP Officer's Call 7/22/08

Participants: Laine, Susan, Donna, Carol, BJ

We discussed who needs to be paid at the OKC meeting and what is the cost of the shirts & food? Laine requested a blank check so that whomever needs to be paid can be paid. Does he need more than one in case something else has to be paid for that we did not know about?

We also discussed providing gifts for the speakers and the Commissioner. Laine will talk to Malissa regarding gifts for speakers or not. Does Oklahoma allow that?

We decided it would be best for Carol to bring some of the logo items from our inventory and let the speakers and Commissioner choose what they would like to have.

There was some discussion about people who have registered for the meeting but did not send the correct amount of money. Will we just waive the additional fees in order to get higher attendance at the meeting? We all agreed that would be ok.

We scheduled another officers call for the 28th or 29th since neither Malissa or Clinton were on this call.

Having nothing further to discuss, the call was ended.

Respectfully submitted, Carol Fuller, South Central Chapter Secretary
