Type of Meeting: Chapter Meeting
 Officer's Call
 Other (specify) Planning Committee for Chapter Meeting at National

Minutes:

We have decided that we will have a chapter meeting at National but not an official dinner. The meeting will serve as an opportunity for members to meet up with each other and make their own plans for dinner.

We discussed thank you gifts for our volunteers. Gifts will be given to Deborah Rainey, Diane Higdon, Tom Murphy and Fran Linker. We agree these will be \$25 gift cards. Tyrone will purchase them and Donna will bring gift bags and tissue paper.

We then discussed whether we wanted to donate something as a chapter for the silent auction. We agreed we should and Donna will try looking for something on-line.

In the event our outgoing president Clinton is not be able to attend the chapter meeting, Donna will lead the meeting. Doug and Donna announced that the push for this year will be for local volunteerism.

Having no further business, the call was ended.
