HEADLINE: AICP Accepting Applications for Scholarships

BODY:

The Association of Insurance Compliance Professionals (AICP) has a primary objective of fostering learning opportunities for the insurance compliance community. In support of this objective, the AICP is offering three \$1,000 scholarships annually to selected individuals to encourage and support their interest in insurance as a career. The scholarships are available to anyone currently in undergraduate or graduate studies.

Eligible candidates will be selected based upon Grade Point Average (GPA), involvement in extra-curricular activities, level of educational interest and dedication to the insurance industry.

For more information regarding eligibility and how to apply, visit the AICP website at www.aicp.net. Applications are due by May 1st.

The Association of Insurance Compliance Professionals, with over 1,500 current members, serves the insurance compliance community by promoting relationships, exchanging information, and providing learning opportunities within a dynamic regulatory environment. Members include personnel from property, casualty, life and health insurers, regulatory agencies, consultants and other specialty operations. The AICP is dedicated to promoting regulatory competence and awareness for the improvement of regulatory compliance within the insurance industry.
