Sponsorship Opportunity

On **Friday, June 15, 2018** the AICP Gulf States Chapter will present our annual Education Day (E-Day), held in Atlanta, GA. Based on past years' attendance, we anticipate having between 60 and 75 insurance professionals attending this event.

The AICP is a non-profit organization whose mission is to serve the insurance compliance professional community by promoting relationships, exchanging information and providing learning opportunities within a dynamic regulatory environment. Individuals attending E-Day 2018 will have the opportunity to choose from several different workshops on various topics.

We are the leading organization in our field and we are pleased to offer sponsorship opportunities to other organizations that share the same goals as our members. We believe this year's E-Day is an **excellent opportunity for you to share information about your products or services with dedicated insurance professionals** from insurance companies, regulatory agencies, consultants and other insurance-related organizations.

We offer a variety of options for you to participate as an E-Day Sponsor with different levels tailored to your needs:

1. **Silver Level – \$500**
