February 23, 2007

To All Our Members:

I would first like to welcome all our new chapter members and thank all our other members for their continued support. It is the hope of the chapter officers that this will be an informative and productive year.

The planning phase of our first chapter education day is in progress. We are anticipating a mid to late April date for this meeting. The location will be in near Harrisburg, PA. More information will follow in the next month or so. Also, please look to the website for updates and additional information on this meeting and the chapter, in general.

The chapter is again, in need of volunteers for such committees as membership, planning, meetings, etc. Please contact any of the chapter officers, if you would like to be involved. If I can be of any assistance, please feel free to contact me. We look forward to your continued support and help in make this a successful year for the Mid-Atlantic Chapter.

Sincerely,

Rob Frew
President
Mid-Atlantic Chapter, AICP
