EDUCATION DAY SPONSORSHIP FORM
2019

With over 1,500 members nationwide, the Association of Insurance Compliance Professionals (AICP) serves a diverse membership. With educational opportunities related to property & casualty coverage and life/annuity/health insurance, our members are afforded opportunities to network with others in the insurance compliance community to exchange information, develop professional networks and broaden their expertise in insurance compliance. Our membership consists of insurance company compliance employees, insurance regulators, and third-party product and service providers.

With education and networking in mind, the **AICP South Central Chapter** will be holding its annual **Education Day (E-day) on 5/17/2019 at Cambria Hotel in Southlake (Dallas), Texas**. Numerous seminars will be available to our attendees on current hot topics and in-depth presentations of current legislative/regulatory trends. Additionally, time is planned to promote networking opportunities.

Financial sponsorship is an important part of our organization. Support from our sponsors ensures we are able to continue providing the most up-to-date information by bringing in presenters with exceptional industry knowledge. Sponsors also add value to our meetings and events by providing meals and snacks to attendees and presenters.

We sincerely thank you for your generous contribution to the success of our Education Day.
